SCHOOL

School Ministry Expansion

*“Train up a child in the way he should go and
when he is old he will not depart from it”*

Proverbs 22:6

The School Board of Christian Life School has approved a Plan to expand the school ministry. The plan includes three phases:

- Phase 1: Develop a long term school Facility Plan to meet needs within the building. The Facilities Plan will be created using WL Construction and Bill Kumlin, Architect.

- Phase 2: Add washrooms to the Primary wing of the school

- Phase 3: Assist the PAT (Parent Advisory Team) in expanding the playground facilities for the school and surrounding community

The total cost of all three phases of the plan will be \$75,000.

To make these changes possible, we need your help. Can you make an investment in the children of our community?

Donations are 100% tax receiptable and cheques may be made to Christian Life School. A separate account has been set up for the project.

For more information contact Don Irwin or Robert Carroll at (250) 785-1437 or dirwin@christianlifeschool.ca.

Learn about the programs and tour the facilities at Christian Life School, including:

- B.C. curriculum K-12 from a Christian perspective
- Small class size
- Half-time Kindergarten Program
- Christian teachers to care for your child
- Early Intervention Reading Program
- French as a Second Language Program and Computer Lab starting at Kindergarten
- Fully certified program and teachers by the BC Ministry of Education
